LATAR BELAKANG

Teknologi Informasi merupakan kebutuhan yang sangat berperan penting pada era ini. Sejalan dengan adanya perkembangan teknologi informasi, semakin bertambah juga kemampuan teknologi untuk membantu menyelesaikan masalah dalam berbagai bidang. Salah satunya adalah layanan cleaning service yang merupakan konsep dari tugas besar kami. MipoClean sendiri merupakan website penyedia jasa bersih-bersih rumah. Mipo merupakan nama robot yang terdapat pada logo, yang merupakan singkatan dari 'masterpiece project'. Jasa yang ditawarkan pada layanan ini tentu sangat membantu mereka yang memiliki kendala dalam pemberian kebersihan rumah . Karena pada dasarnya, kebersihan rumah sangat memengaruhi kenyamanan penghuni nya. Melalui presentasi ini, akan dijelaskan beberapa fitur, database, serta demonstrasi dari website yang telah kami buat.
